The Union.

JUNCTION, THURSDAY, JULY 3, 1862.

The City Drug Store has just received from Leavenworth a large addition to its stock of Drugs and Chemicals.

We noticed a number of families going to the Solomon after claims recently. That county is settling up rapidly.

IF Fall Wheat is now being harvested. The crop is a good one. Spring Wheat will not turn out so well.

LAND WARRANTS .- Hall, at the City Drug Store, has received a number of Land Warrants, which he now offers for sale at the lowest cash price.

Justines is improving rapidly. New house are going up. A spirit of enterprise has seized upon the people and its results are perceptible

are already being felt in this portion of the State. Come on, emigrants, and home-seekers, this is the best country in the West.

The cattle and other stock in this county are getting excessively fat. There is no better stock raising country in the world than Kansas. In this branch of industry is a mine of mexhaustible wealth. Our farmers are becoming aware of this fact and are acting accordingly.

A BITTER PILL.-Lieutenant-Colonel Anthony, of the Seventh Kansas Regiment, better known antecedents are anything, that the chivalry within his jurisdiction will toe the mark.

#17 We have always regarded Kansas editors ans perfect paragons of honesty and virtue; but the revelations being made by the Topeka papers are shaking our faith terribly. If they continue much longer, we may, for our good zame, quit the "perfession."

Don't Surr.-Captain Srewart don't suit the nabobs at Fort Riley. For the same reason that Then, too, he has a company of men that don't take sugar-coated secesh, consequently they are perfectly "howid." Keep your ears open, boys. Doubtful 'aint no word for that place.

Last.—The confederate prisoners at Fort Riley were started for Fort Leavenworth, under an escort of twenty men, last Tuesday morning. We hope, hereafter, they may be kept in their places, and that none will be found so mean as to do them reverence. Taking pleasure rides with them, and other acknowledgements o equality, is piling it on rather thick.

CAPTURED .- Our "fellow-citizen," W. W. Her bert, we are led to believe was the South Caroli na Colonel captured by our army at Fair Oaks He was a bold, honorable and outspoken enemy. for which reason we can hardly say that we wish him any harm. But he had a partner, who played Union man around here until late last fall, when he sneaked off and entered the Southern army, of whom we have no compunction in wishing that daylight may shine through him, if it has not already.

EJ We received a call from Lieutenant Thomp sox, of the regular army, the other day. Notwithstanding his decidedly unmilitary trim-he only had two crutches, accourrements not provided for by Scott or Hardee-he presented quite a soldierly appearance, and from his past history we believe him to be as substantial as he is good looking. He was on Fremont's staff in Missouri last summer, and also on General Lane's, and has seen much service. A broken leg has kept of said action is set for the 11th day of Auhim confined for some time, but we hope ere long gust, 1862, at 11 A. M. at which time you are to see him on duty again.

Notice.-The legal voters of School District No. 1, of Davis County, are called upon to meet in Taylor's Hall, Junction City, on Saturday, the 12th day of July, 1862, at 2 o'clock, P. M. for the purpose of organizing said District ac cording to law. FROM WASHINGTON

The Tax Bill Passed .- The tax bill went through both Houses on the 23d with a whirl, and thus the most important bitl of the session only lacks the signature of the President to become a law. The bill as passed, stands precisely as the Senate amended it, except in sixteen particulars, the Committee on Conference agreeing that the House should recede from its 253 other amendments. The House and Senate found it utterly impossibe to agree on the tax on rectified spirits, the House wanting a very high, and the Senate a very low tax, and so they compromised by levying no tax at all on that article. Garrett Davis protested against this feature, and complained that it gave a chance to Cincinnati dealers to drive out pure Bourbon whisky, by underselling with drugged articles manufactured from the rectified spirits. Senator Sherman protested allowing a drawback on the export of manufactured cotton, and against giving up the direct tax feature, but would not indulge in opposition now as that would tend to defeat the bill. The Senate passed it unanimously. In the House objection was made to receding from the direct tax, and one member wanted to insist on that and put on the Senate the responsibility of defeating so important a bill, through fear of direct taxation. Furnishing & Paper Warehouse That would do very well to punish the Senate, said Thad. Stevens, but meantime how would the poor country get along without means of raising revenue.

There were in all, 315 amendments to the tax bill. The House having receded as "Jennison's Jayhawkers," is now Provost from 253, and the Senate from 16 of them, Marshal of Memphis. It is pretty certain, if the remainder became a subject of compro mise, as embodied in the joint resolution of the Committee of Conference, adopted

by the Senate. While in the House the following named members voted against it: Allen, of Ill; Browne, of Rhode Island; Johnson, Nor- BREAD AND CAKE ton, Nugent, Pendleton, Shiel, Stiles, White of Ohio; Wyckliffe and Wood. The bill only awaits the President's signature to become a law, and is to take effect the 1st of August. The Commissioner of Internal old Butler don't suit them at New Orleans. Revenue is to receive a salary of \$4,000 per annum.

Some efforts were made in the House to stave off an immediate vote, but they failed and the bill was agreed upon by the Committee of Conference, passed, Ben Wade and ten others only voting against it.
